IN THE MATTER of the Application of )	UTILITY DIVISION
Shelby Gas Association for Authority)	DOCKET NOS. 81.3.34
to Increase Rates and Charges for )	and 81.9.76
Natural Gas Service. )	INTERIM RATE ORDER NO. 4781c
_____)	

FINDINGS OF FACT

1. Shelby Gas Association (Applicant) applied to this Commission for an Order authorizing an increase in the rates Applicant charges for natural gas service. The application sought authority to increase rates in order to recover all cost increases resulting from rate increases granted The Montana Power Company (Montana Power) in Docket Nos. 81.3.28 and 81.6.57.
2. On May 10, 1982, the Commission's Order No. 4775b in Docket Nos. 81.3.28 and 81.6.57 granted Montana Power a natural gas rate increase. Order No. 4775b authorized the amortization of the negative deferred gas cost balance. That amortization which reduced rates to the Firm Utility Class by 5.6¢/MCF has now been completed.
3. Order No. 4775b will result in increased purchased gas costs to Shelby Gas Association.

CONCLUSIONS OF LAW

1. The Commission may, in its discretion, temporarily approve increases pending a hearing on final action. If the final action is to disapprove the increase the Commission shall order a rebate to all consumers for the amount collected retroactive to the date of the temporary approval. 69-3-304, MCA.

2. The application will be noticed for hearing at a later date.

ORDER

1. Shelby Gas Association is authorized to increase its rates to recover increased gas costs from Montana Power as a result of the Commission's Order No. 4775b, and to file tariffs and supporting cost computations.

2. The increase granted herein is subject to rebate should the final order in this docket determine that a lesser increase than authorized by this order is required.

3. In the event a rebate is directed by a supplemental order in this Docket, provision shall be made in that order to cause all uncollected rebates to be escheated to the State of Montana, in the manner provided by law.

4. The increased rates shall be collected on a constant uniform cents per Mcf basis.

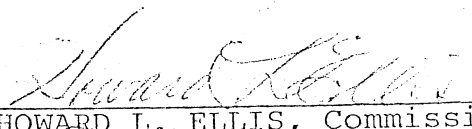

5. The filed tariffs shall be effective for services rendered on and after October 1, 1982.
